Any person, firm, association, corporation or body politic may become a member in the Marshall County Rural Electric Membership Corporation (hereinafter called the "Cooperative") by:

Section 2. Application for Membership.

Any person who desires to purchase electric energy from the Cooperative shall by receiving service or by the membership fee agree to the following:

Such fee or fees may include any service security deposit, service connection deposit or fee, facilities extension deposit, or contribution in aid of construction that may be required by the Cooperative.

Such fee as is designated herein in respect to membership in the Cooperative shall be paid in advance, unless otherwise arranged. The membership fee, together with any service security deposit, or service connection deposit or fee, facilities extension deposit, or contribution in aid of construction, or any combination thereof, if required by the Cooperative, shall entitle the member to one service connection. ARTICLE XI
DISPOSITION OF REVENUES AND RECEIPTS

Section 1. Nonprofit and Cooperative Operation.

The Cooperative: (1) shall operate on a nonprofit and cooperative basis for the mutual benefit of all Members; and (2) may not pay interest or dividends on capital furnished by Patrons.

Section 2. Allocating Capital Credits.

The Cooperative shall allocate Capital Credits as provided in this Bylaw. The Cooperative must allocate Capital Credits in a Patron's name as shown in the Cooperative's records, regardless of the Patron's marital status.

- a. Patron. The term "Patron" means, during a fiscal year: (1) a Member; and (2) any other Person Using a Cooperative Service to whom the Cooperative is obligated to allocate Capital Credits, which obligation existed before the Cooperative received payment for the Cooperative Service.
- b. Allocating Earnings. For each Cooperative Service provided during a fiscal year, the Cooperative shall equitably allocate to each Patron, in proportion to the quantity or value of the Cooperative Service Used by the Patron during the fiscal year and timely paid for by the Patron, the Cooperative's patronage earnings from providing the Cooperative Service during the fiscal year. Patronage earnings mean the amount by which the Cooperative's patronage sourced revenues from Providing a Cooperative Service exceed the Cooperative's patronage sourced expenses of Providing the Cooperative Service, all as determined under federal cooperative tax law.

For each fiscal year, the Cooperative shall allocate to each Patron, in proportion to the quantity or value of Cooperative Services Used by the Patron during the fiscal year and timely paid for by the Patron, the Cooperative's non-patronage earnings. Non-patronage earnings mean the amount by which the Cooperative's non-patronage sourced revenues during a fiscal year exceed the Cooperative's non-patronage sourced expenses during the fiscal year, less any amount needed to offset a patronage loss.

- c. Allocating Losses. For each Cooperative Service Provided during a fiscal year, the Cooperative shall: (1) equitably allocate to each Patron, in proportion to the quantity or value of the Cooperative Service Used by the Patron during the fiscal year, the Cooperative's patronage loss from Providing the Cooperative Service during the fiscal year; or (2) offset the Cooperative's patronage loss from Providing the Cooperative Service during the fiscal year: (A) against the Cooperative's patronage earnings from providing the Cooperative Service during the most recent past fiscal year(s) or the next succeeding future fiscal year(s); or (B) first against the Cooperative's non-patronage earnings during the current fiscal year, second against the Cooperative's unallocated non-patronage earnings during any past fiscal year(s), and third against the Cooperative's non-patronage earnings during any future fiscal year(s). Patronage loss means the amount by which the Cooperative's patronage sourced expenses of providing a

Cooperative Service during a fiscal year exceed the Cooperative's patronage sourced revenues from providing the Cooperative Service during the fiscal year, all as determined under federal cooperative tax law.

For each fiscal year, the Cooperative shall: (1) allocate to each Patron, in proportion to the quantity or value of Cooperative Services Used by the Patron during the fiscal year, the Cooperative's non-patronage loss; or (2) offset the Cooperative's non-patronage loss against the Cooperative's non-patronage earnings during any fiscal year(s).] Non-patronage loss means the amount by which the Cooperative's non-patronage sourced expenses during a fiscal year exceed the Cooperative's non-patronage sourced revenues during the fiscal year.

- d. Capital Credits. For each amount allocated to a Patron, the Patron shall contribute a corresponding amount to the Cooperative as capital. The Cooperative must credit all capital contributions from a Patron to a capital account for the Patron. The Cooperative shall maintain books and records reflecting the capital contributed by each Patron. At the time of receipt by the Cooperative, each capital contribution is treated as though the Cooperative paid the amount allocated to the Patron in cash pursuant to a pre-existing legal obligation and the Patron contributed the corresponding amount to the Cooperative as capital. The term "Capital Credits" means the amounts allocated to a Patron and contributed by the Patron to the Cooperative as capital.

Consistent with this Bylaw, the allocation of Capital Credits is in the discretion of the Board and the Board must determine the manner, method, and timing of allocating Capital Credits. The Cooperative may use or invest unretired Capital Credits as determined by the Board. To secure a Patron's obligation to pay amounts owed to the Cooperative, including any compounded interest and late payment fee, and in return for the Cooperative providing a Cooperative Service to the Patron, the Cooperative has a security interest in Capital Credits allocated to the Patron. The Patron authorizes the Cooperative to perfect this security interest by filing a financing statement.

- e. Different and Separate Allocations. As reasonable and fair, the Cooperative may allocate Capital Credits to classes of similarly situated Patrons under different manners, methods, and timing, provided the Cooperative allocates Capital Credits to similarly situated Patrons under the same manner, method, and timing. If the Cooperative is a member, patron, or owner of an Entity from which the Cooperative Uses a good or service in Providing a Cooperative Service and from which the Cooperative is allocated a capital credit or similar amount, then, as determined by the Board and consistent with this Bylaw, the Cooperative may separately identify and allocate to the Cooperative's Patrons this capital credit or similar amount allocated by the Entity.
- f. Joint Memberships. Upon receiving written notice and sufficient proof of the termination, conversion, or alteration of a Joint Membership: (1) through the death of a Joint Member, the Cooperative shall assign and transfer to each surviving Joint Member an equal portion of Capital Credits allocated, or to be allocated, to the Joint Membership; or (2) other than through the death of a Joint Member, and except as otherwise provided by a court or administrative body of competent jurisdiction, and except as otherwise provided by the Joint Members, the Cooperative shall assign and transfer to each Joint

Member an equal portion of Capital Credits allocated, or to be allocated, to the Joint Membership.

Section 3. Notification and Assignment of Capital Credits.

Within a reasonable time after the end of each fiscal year, the Cooperative may notify each Patron in writing or electronically of the stated dollar amount of Capital Credits allocated to the Patron for the preceding fiscal year. Except as otherwise provided by the Board or these Bylaws, to assign or transfer a Patron's Capital Credits: (1) the Cooperative must receive a written or electronic request signed by the Patron to assign or transfer the Capital Credits; (2) the Patron and the assignee or transferee must comply with all reasonable requirements specified by the Cooperative; and (3) the Board must approve the assignment or transfer

Section 4. Different and Separate Allocation.

As reasonable and fair, the Cooperative may allocate Capital Credits to classes of similarly situated patrons under different manners, methods, and timing provided the Cooperative allocates Capital Credits to similarly situated patrons under the same manner, method, and timing. If the Cooperative is a member, patron, or owner of an Entity from which the Cooperative uses a good or service in providing a Cooperative service and from which the Cooperative is allocated a capital credits or similar amount, then, as determined by the Board and consistent with this Bylaw, the Cooperative may separately identify and allocate to the Cooperative's patrons this capital credit or similar amount allocated by the Entity.

Section 5. Retiring Capital Credits.

The Cooperative may retire and pay Capital Credits allocated to patrons and former patrons as provided in this Bylaw. If the Cooperative retires and pays Capital Credits, then the Cooperative must retire and pay Capital Credits in patron's name as shown in the Cooperative's record, regardless of the patron's marital status.

Regardless of a statute of limitation or other time limitation, after retiring Capital Credits allocated to a Patron or former Patron, the Cooperative may recoup, offset, or setoff an amount owed to the Cooperative by the Patron or former Patron, including any compounded interest and late payment fee, by reducing the allocated amount of retired Capital Credits paid to the Patron or former Patron by the amount owed to the Cooperative.

Section 6. General Capital Credit Retirements.

Capital Credit retirement discretion. The Cooperative may retire and pay Capital Credits only if the Board determines that the retirement and payment will not adversely impact the Cooperative's financial condition. Consistent with this Bylaw, the retirement and payment of Capital Credits are in the sole discretion of the Board and are not affected by previous retirements and payments. The manner, method, and timing of retiring and paying Capital Credits may be determined only by the Board.

As reasonable and fair, the Cooperative may retire and pay Capital Credits to classes of similarly situated Patrons and former Patrons under different manners, methods, and timing, provided the Cooperative retires and pays Capital Credits to similarly situated Patrons and former Patrons under the same manner, method, and timing. If the Cooperative separately identified and allocated Capital Credits representing capital credits or similar amounts allocated to the Cooperative by an Entity in which the Cooperative is or was a member, patron, or owner, then the Cooperative may retire and pay these Capital Credits only after the Entity retires and pays the capital credits or similar amounts to the Cooperative.

Except as otherwise provided in this Bylaw, the Cooperative must pay the allocated amount of retired Capital Credits and may not pay the net present value of retired Capital Credits

Section 7. Patron Agreement.

Each patron and former patron agrees that:

- a. Capital Credits are not securities under state or federal law.
- b. The patron's right to Capital Credits vests, accrues, becomes redeemable, and becomes payable only upon the Cooperative retiring the Capital Credits as provided in these Bylaws, and not upon the Cooperative allocating the Capital Credits; and
- c. As required by Law, each patron will:
 1. Report to the appropriated Entity all allocated or retired Capital Credits; and
 2. Pay the appropriate Entity any tax or similar amount on allocated or retired Capital Credits.

Section 8. Dissolution or Liquidation of the Cooperative.

In the event of dissolution or liquidation of the Cooperative, after all outstanding indebtedness of the Cooperative shall have been paid, outstanding capital credits shall be retired without priority on a pro rata basis, before any payments are made on account of property rights of members. If, at any time, prior to dissolution or liquidation, the Board of Directors shall determine that the financial condition of the Cooperative will not be impaired thereby, the capital then credited to the patron's account may be retired in full or in part. Any such retirements of capital shall be made in order of priority according to the year in which the capital was furnished and credited, the capital first received by the Cooperative being first retired.

Section 9. Capital Credit Assignment.

Capital credited to the account of each patron shall be assignable only on the books of the Cooperative pursuant to written instruction from the assignor and only to successors in interest or successors in occupancy in all or a part of such patron's premises served by the Cooperative

unless the Board of Directors, acting under policies of general application, shall determine otherwise.

Section 10. Capital Credits on Death of Patron.

Notwithstanding any other provision of these Bylaws, the Board of Directors, at its discretion, shall have the power at any time upon the death of any patron, if the legal representatives of his estate shall request in writing that the capital credited to any such patron be retired prior to the time such capital would otherwise be retired under the provisions of these Bylaws, to retire capital credited to any such patron immediately upon such terms and conditions as the Board of Directors, acting under policies of general application, and the legal representatives of such patron's estate shall agree upon provided, however, that the financial condition of the Cooperative will not be impaired thereby.

Section 11. Terms of Capital Credit.

The patrons of the Cooperative, by dealing with the Cooperative, acknowledge that the terms and provisions of the Articles of Incorporation and Bylaws shall constitute and be a contract between the Cooperative and each patron, and both the Cooperative and the patrons are bound by such contract, as fully as though each patron had individually signed a separate instrument containing such terms and provisions.

The Cooperative shall purchase insurance to cover such indemnification. The Cooperative shall also furnish said directors, officers, including the general manager, agents and employees with skilled and competent legal counsel to represent them against claims of such alleged liability as is described above; and the Cooperative shall make direct payment of such expenses of legal counsel and the reasonable related costs and expenses incurred in connection with such defense.
